

DUST VACUUM WAND

Many customers enjoy the convenience and effectiveness of our dust vacuum wand.

Airtight have pulled together a kit that is light, easy to use and comes complete with accessories including:

- Adjustable dust wand handle;
- Quick connect blast gate;
- Floor sweep intake;
- An additional dust wand handle that has bristles for cleaning benches; and
- Convenient mounting brackets

Optional Extras

- Branch Piece or Duct Entry for connection to your existing ducting;
- 100 diameter Timberflex Medium flexible hose and hose clips. (10m of flexible hose is recommended)

The kit can easily be connected to overhead ducting, or mounted on the wall behind CNC's or around other workspaces for easy access.

NOTE : Standard kit excludes coil hoop

Filter & Fans
